The SWLA Homeschool Athletic Club is a member of the Association of Christian Educators of Louisiana. Key ACEL Requirements from [www.theacel.com](http://www.theacel.com) are listed below:

2.3. The purpose/mission of the ACEL:

ACEL is established to bring honor and glory to the name of our Lord Jesus Christ, through athletic and academic competition, to protect the Christian bond of our member schools, to promote pure, amateur athletic sports, and to foster Christian leadership and fellowship among our students.

2.5. All participating schools or associations must require each ACEL student athlete to take one bible course for credit each academic year.

2.6. For the purposes of participation on a ACEL home education athletic association team, a homeschool student-athlete must spend 51% of their class time in the home setting, unless the student athlete is a graduating senior, in which case he or she may spend up to 66% of their class time outside the home setting. Any student taking classes through a state approved public school, virtual school, charter school, or any blending of such that will result in the student receiving a diploma from such school, does not meet the definition of a ACEL homeschooled student.

14.1.5. All students must maintain a 2.0 grade point average on a 4.0 scale.

SWLA-HAC Requirements:

- 1) Any student who transfers from a public school, Christian/private school, or another homeschool team and is under disciplinary action(s) must wait one (1) year before he or she is eligible to participate in any sport.
- 2) A list of all former schools attended including an updated transcript from the most recent school is required to be submitted with this application.
- 3) Parents and players must understand this is competitive high school sports and not a recreation league. This means the ultimate goal is to win the game; therefore, some players may not get a chance to play every game or any game. The coach is not obligated to see that every player gets playing time.
- 4) Uniforms are property of SWLA-HAC and are to be returned to the team parent promptly after the last game of the sport season. A \$25 uniform fee will be included in player fees for all sports to build funds for the purpose of future uniform purchases.
- 5) A phone or personal interview will be conducted to discuss requirements and to determine eligibility.
- 6) Please submit two letters of recommendation from either a Family that is a current member of the SWLA Knights, Pastor, Coach, etc.

The requirements listed above have been explained to me by the person signing below as Director of SWLA-HAC. I understand and agree to these requirements and have answered all questions truthfully and accurately:
